Dear Sir/Madam:

The Office Communication with mailing date of 22 March 2007 noted that the amended document filed on 18 December 2006 is considered non-compliant, because it failed to meet the requirements of 37 CFR 1.121 or 1.4. The Office Communication also noted that if any of the boxes 1 to 4 were checked, the correction required is **only the corrected section** of the non-compliant amendment. This reply is intended to supply the two corrected sections.

**Amendments to the Claims** are reflected in the listing of claims which begin on page 2 of this paper. The amended claims are identical to those of the document filed on 18 December 2006, except that Applicant has drawn lines through deleted matter, as requested in the Office Communication's box 4 (E. Other).

**Amendments to the Drawings** are reflected in the "Fig. 1" that is attached after page 7 of this paper, which is labeled "Replacement Sheet" as requested in box 3 of the Office Communication. Otherwise, that drawing is identical to the revised "Fig. 1" that Applicant had submitted in an amendment dated October 20, 2003.

Respectfully submitted,

David R Rigney
